

8312, 8314 Bentley™ Wand

High Performance Wand

PRODUCT SPECIFICATIONS

Model 8312 (12" vacuum head)

8314 (14" vacuum head)

Both include:

Stainless steel jets with check valves
Plastisol coated comfort offset grip
Solution line swivel for ambidextrous operation
Feather touch top-mounted valve

Polished aluminum head
Swivel vacuum head for reaching tough areas
High pressure and temperature rated hose
PTFE Vacuum Glide

Patent Pending

The best wand ever made by man.

Here's why: The vacuum head is designed to allow for maximum CFM. The swivel head allows the wand to run flat. The wand grip is coated with a comfortable material. The four solution jets strike just behind the vacuum head for optimal penetration and recovery. The PTFE glide makes movement over the carpet easier, and improves drying times. Great for use with any truck mount or high performance portable. Try the Bentley™ today!

PROFESSIONAL PERFORMANCE

The Bentley™ is built in a way that assures comfort for the operator, as well as maximum cleaning performance and efficiency.

INDUSTRY EXCLUSIVE VERSATILITY

The Bentley™ can go where other wands simply can't. Clean under furniture, clean stairs and risers, even use on tile and other hard surfaces.

"BUILT PROOF" DURABILITY

We use high quality stainless steel vacuum tubing, as well as a durable aluminum head.

CLEANING EFFICIENCY

With jets that are tuned to cover the entire cleaning path, the Bentley™ achieves high production, without sacrificing any cleaning power.

DESIGNED FOR SAFETY

The Bentley™ features both high pressure (2500 PSI) and high temperature (200° F) rated solution lines. The top mounted high pressure valve reduces strain and fatigue on the operators hand and wrist.

- 1 SOLUTION SWIVEL
- 2 TOP MOUNTED FEATHER TOUCH VALVE
- 3 COMFORT GRIP
- 4 VACUUM HEAD SWIVEL ALLOWS TO RUN FLAT
- 5 FOUR JETS FOR COMPLETE COVERAGE
- 6 PTFE BANANA GLIDE INCLUDED

At Mytee, we stand behind our products with service and warranties. The 8312 and 8314 Bentley™ Wand are backed by a lifetime limited factory warranty and nationwide service network.
